

## Filament Materials & Colors

PLA

ABS

WOOD

PVA

### ABS Filament

ABS is a more durable plastic for hard wearing applications. Why not try the white ABS and acrylic paints to achieve a multi-coloured finish? ABS is available for the ModelSmart Pro 280 only.

#### Black ABS

**Weight** 750g

**Material** ABS

**Compatibility** ModelSmart Pro 280

#### White ABS

**Weight** 750g

**Material** ABS

**Compatibility** ModelSmart Pro 280
